Attendance at meetings and committee participation is essential for reaching the Promise Goals and Objectives. Are you able to participate in monthly public Board meetings that take place on the second Monday from 3-5 PM in-person? Circle One: YES NO

Our Board currently has three committees open for participation, which meet once monthly or quarterly during weekdays, for about an hour in the daytime. Please check the one that you'd be most interested in learning about: Student Success (to determine how to foster reaching our goals) Community Engagement (to determine how to engage our county in supporting its Promise) Appeals (for reconsideration of ineligible students)
